

Russell Berrie Nanotechnology Institute  
Technion - Israel Institute of Technology

## Dr. Colin Ophus

National Center for Electron Microscopy,  
Molecular Foundry, Lawrence Berkeley

---

▶ "Phase contrast imaging of  
nanostructures in 2D and 3D using  
4D-STEM "

---

**Wednesday,  
24 May, 2023**

12:15 refreshments  
12:30 lecture

---

**Wang Auditorium**  
The Dalia Maydan Building  
Faculty of Materials Science and Engineering

---

**RBNI**  
**Monthly  
Seminar  
Series**  
**2023**

**TECHNION**  
Israel Institute  
of Technology
