

Russell Berrie Nanotechnology Institute
Technion - Israel Institute of Technology

Prof. James F. Scott FRS

Professor Emeritus Cambridge University
Cavendish Laboratory and Prof. of Chemistry
and Physics, St. Andrews University

▶ "New Technology transfer of
Ferroelectric Memories: From
University Lab to a Billion \$
industry"

**Wednesday,
22 February, 2017**

12:00 refreshments
12:30 lecture

Wang Auditorium
The Dalia Maydan Building
Faculty of Materials Science and Engineering

**RBNI
Monthly
Seminar
Series**

2017
