

Russell Berrie Nanotechnology Institute  
Technion - Israel Institute of Technology

## Prof. Lola Eniola-Adefeso

Chemical Engineering, Biomedical Engineering  
and Macromolecular Science and Engineering  
University of Michigan

"Understanding Cellular-Particle Interactions  
in Blood: Implications for Disease Pathology  
and Treatment."

**Wednesday,  
28 March, 2018**

12:00 refreshments  
12:30 lecture

**Wang Auditorium**  
The Dalia Maydan Building  
Faculty of Materials Science and Engineering

**RBNI**  
**Monthly  
Seminar  
Series**  
**2018**

**TECHNION**  
Israel Institute  
of Technology
