

Russell Berrie Nanotechnology Institute
Technion - Israel Institute of Technology

Prof. Sharon Weiss

Electrical Engineering, Physics, and Materials
Science at Vanderbilt University

▶ "Silicon Optical Biosensors:
Opportunities and Challenges in
Integration, Sensitivity, and
Robustness "

**Thursday,
04 April, 2019**

12:00 refreshments

12:30 lecture

Auditorium 1003
Andrew & Erna Viterbi
Faculty of Electrical Eng.

RBNI
Monthly
Seminar
